Dear [REDACTED]

I refer to your submission requesting review and approval of the Construction Environmental Management Plan in accordance with Schedule 2, Condition 6.2 of the Development Consent for the Queensland to Newcastle Gas Pipeline (MP06_0286). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Construction Environmental Management Plan:

- has been prepared in consultation with Crown Lands, DCCEEW Pipelines, DCCEEW Water, DCCEEW CPHR, DPIRD Agriculture; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Construction Environmental Management Plan (Revision 2, dated July 2025) for Stage 1b low impact works.

Please ensure you make the document publicly available on the project website at the earliest convenience.
